

WELCOME TO PATRIOT NJROTC!

Whether you are a new or returning cadet or parent, we welcome you to Frederick County's only JROTC program, Patriot NJROTC. Open to all high school students in FCPS, we are proud to announce that we have participation from EVERY high school in the county, and have our highest enrollment to date with over 150 cadets.

This is the first monthly newsletter of the 2016 - 2017 school year, and will include answers to some of our most commonly asked questions. E-mailed and uploaded to the website just prior to the upcoming month, it is a handy resource to identify upcoming events while reading about our most recent activity.

We will miss LCDR Henry Lane who retired after opening the unit the unit's first and only Senior Naval Science Instructor, but are pleased to welcome his replacement. Lt. Col Gregg Lyon, USMC (Retired) is joining us after a 28-year career as a Marine Corps infantry officer, and brings a wealth of experience and leadership that will help further develop our growing unit. This year, he will instruct Naval Science 2 and 3.

AUGUST 2016

AUG

29

DRILL TEAM MEETING
0615 - 0715
NJROTC classroom 1443
(Enter building at front entrance)

AUG

PATRIOT BOOSTERS

EXECUTIVE COMMITTEE

Tricia Buckman, President
Jim Assurian, Vice President
Luci Riegel, Treasurer
Judy Metelski, Secretary
Becky May, At Large Director
Mary Assurian, At Large Director

We are very fortunate to receive tremendous support from our Boosters. A 501c, non-profit, the Patriot Boosters assist the unit by providing a wide variety of support services from transportation and tailgating to spirit wear and fundraising. We simply wouldn't be half as efficient without their support.

Please consider signing up to help out a little or a lot. Many hands make light work. :-) Patriot Booster members will be available at Back to School Night to talk about ways you can help.
