

Who's Ahead?

From Cadet Training Officer

Dear Fellow Cadets:

It is an honor to serve as your Cadet Training Officer. My goal as the Training Officer is to help as many cadets as possible to gain knowledge and learn skills to move up to the rank of Cadet Chief Petty Officer (C/CPO) by the end of their 2nd or 3rd year in the program.

Since the End of Year Award Ceremony in May 2017, 13 cadets have been promoted to higher ranks and a dozen others have taken steps to pass either academic or practical exams. Please join me to congratulate the following cadets on their advancement. Names and ranks are on the right.

Keep up the good work! There will be **two training sessions in October**. Please make every effort to come and advance. It's not an easy task, but as the saying goes, *when there is a will there is a way*.

You can find information on advancement on the [unit website](#) under [Cadet Info](#) which I am updating periodically. Feel free to email me at tra@patriotnjrotc.com with questions and concerns. My assistant Andrew Mosiychuk is also available to help you with training needs. Thank you!

Sincerely,
Robert Xu
