

# Who's Ahead?

From Cadet Training Officer

Dear Fellow Cadets:

First of all, I would like to congratulate the following cadets who have advanced during the past two months.

Advancement is largely a self-directed task that involves motivation and discipline. While advancement to C/PO3 is part of the NS1 curriculum, advancement beyond that is set at your own pace. Thus, it is highly recommended that you set goals and use the **resources** below to achieve C/CPO, ideally within 2-3 years in the program.

- Attend monthly training sessions (Fridays, 1430-1630).
- Take academic and practical exams in class with SNSI and NSI's
- Train and/or take practical exams with the following **class representatives** for the fall: Steven Stabler (*Block 1*), Matthew Dirndorfer (*Block 2*), Ryan Wiscovitch & Andrew Mosiychuk (*Block 4*)
- Take academic exams with Training Officer or Executive Officer Dirndorfer.
- Check the **unit website** for training news and **Advancement** information (under **Cadet Info** and **Chain of Command**) which I am updating periodically.

Feel free to email me with questions at [tra@patriotnjrotc.com](mailto:tra@patriotnjrotc.com). Thank you!

Sincerely,  
Robert Xu
