## FEBRUARY

Hope everyone had a nice break! As returning back, the semester is closing and we welcome our first year cadets! In December, the unit had many events as well as team achievements. The Drill team took home two trophies in their meet. The Orienteering team placed second overall and are on their way to Nationals!

Moving on to the new semester, there are more events coming throughout the semester. We have our Annual Military Inspection on February 14. Military ball is upcoming formal event in the spring.

As some may know, we have created a new account in the social media, Tik Tok! You can check out (@patriotnjrotc) some of the Tiktoks the unit creativity.

## ANNUAL MILITARY INSPECTION

Every year in NJROTC, there is an Annual Military Inspection (AMI). This event conducts the unit being inspected by the Area Manager or formal guest.

It is held in person after 2 years, due to the pandemic. As it is coming up, cadets prepare their knowledge and performance for this event.

Last AMI held in person (2019)
