APRIL

During the last two months, the unit had many events and ready to tackle Term 4! Thank you to our cadets for their preparations and hard work making the Annual Military Inspection (AMI) a success! LCDR Landis had commend our improvements and achievements we made! After a few weeks, the unit took a hike at the Appalachian Trails (picture above) following the next day our 2023 Military Ball! Please look out on our updates on upcoming End of Year Awards and the Unit Trip at Virginia Beach!

MILITARY BALL

The unit's 2023 Annual Military Ball was a huge success! LTJG Robert Milburn (Unit C/CO of Class of 2015) was the guest speaker sharing his story and motivation speech! Thank you to everyone for joining us in this event!

ANNUAL MILITARY INSPECTION

Over the past weeks of the start of the new semester, cadets had prepared for the On Site Annual Military Inspection Pass and Review. Area 5 Manager, LCDR James Landis was pleased and left many positive notes! Thank you to our cadets for their hard work for preparing for this event! Congratulations to our 6 cadets for earning an Exemplary Appearance ribbon!

DRILL

Over 2 months, the drill team had prepared for their drill competitions held at Loudon County and Area 5 Regionals at Northern High School. Brought home 3rd Place in Overall Drill in Area 5 Regionals!

ORIENTEERING

The Orienteering team competed at the NJROTC National Orienteering Championship in Atlanta, Georgia. The team did very well winning 4th place overall. Several members of the team placed in the top 10 individually as well. Good job team!
